

Magna Guardé Bottle Cap

Only cap on the market that will accommodate extra large bottlenecks

Internal hinge makes it difficult to defeat

Clear cap allows for easy readability of the bottle label and tax information

Easy application and removal guarantees efficiency at the POS

The new Magna Guardé Bottle Cap provides benefit denial protection for large, unusually shaped cap sizes common to tequila brands.

Bottle cap houses both AM and RF technology.

Easily customizable

Clamshell style provides benefit denial protection

Button adjusts to create a tight, secure fit on various bottle neck sizes

show. secure. sell.

Alpha's single key solution to control high-theft
