AM LABELS

Consumables

Checkpoint Systems' AM labels offer outstanding alarm performance and efficiency thanks to unique, market first design and production methods.

With improved performance from both detection and deactivation as well as increasing the shelf life of the labels, all our AM labels are certified by independent test facilities.

Once applied there is no deterioration of performance for consistent detection and deactivation on all systems.

- DAS Certification
- ROHS
- Reach
- US Dodd

Dual Resonator

Proven High Performance

Market Leading Detection

Improved Anti-attenuation - Increases Life of Label
